Course Overview

Strategic staffing training is a comprehensive program designed to equip organizations with the necessary tools and knowledge to effectively plan, recruit, and retain the right employees. It emphasizes the importance of aligning staffing strategies with organizational objectives to promote long-term success. Through this training, participants learn how to analyze labor markets, forecast workforce requirements, and implement effective recruitment and retention strategies. The program also covers best practices for managing a diverse workforce and promoting employee engagement. Overall, strategic staffing training is an essential investment for organizations looking to optimize their staffing practices and achieve their business goals.

Course Objectives

By the end of this program, participants will be able to:

- Reducing recruitment costs.
- Techniques to attract job candidates.
- Making organization the employer of choice.
- Identifying present and future business requirements pertaining to staffing.
- Alternative staffing activities.
- Techniques to develop an effective job advertisement.

Target Groups

This training is suitable to a wide range of professionals but will greatly benefit;:

- Managers and supervisors responsible for team performance.
- Human Resource Managers
- Legal advisors and compliance officers.
- HR Business Partners
- HR Officers
- People Managers
