Course Overview

This webinar is designed to help you learn and apply the best practices in developing and implementing an HR strategy that drives business performance. You will learn how to use a six-step process to craft your HR strategy, from conducting an environmental scan and a SWOT analysis, to defining your HR vision and mission, to setting your HR goals and objectives, to designing your HR action plans and initiatives. You will also learn how to use a sample of an HR strategy map and HR metrics to align your HR activities with your business outcomes and measure your HR impact and value.

Course Objectives

By the end of this program, participants will be able to:

- Define an HR strategy and its importance and benefits for HR and business performance
