Course Overview

IHRM: C00259

This comprehensive five-day training program focuses on managing and improving employee performance. Participants will gain an in-depth understanding of the importance of employee performance and its relevance to organizational success. They will learn about the role of knowledge, skills, and abilities in performance, identify common reasons behind poor performance, and grasp the necessity for appropriately set performance objectives. This course will also cover different performance measurements, evaluation techniques, and the traits influencing employee outcomes. Tools for collecting performance feedback and probing questions to stimulate employee self-improvement will be explored, alongside strategies and training to enhance performance. Participants will also become familiar with competency systems and how to effectively implement Performance Improvement Plans (PIPs).
